**Compliance with Code of Conduct:**

*As a member of the Green Meeting Industry Council, I hereby agree to adhere to the principles designed to reduce the environmental footprint of the meeting and event industry. This includes promoting the following concepts in all stages of the meeting process, including design, planning, implementation and evaluation:*

- *Support meetings and events that balance environmental, economic, and community goals by adopting practices that minimize environmental impacts in the areas of*
  - *Air quality*
  - *Energy efficiency*
  - *Water conservation*
  - *Waste management*
  - *Environmental purchasing*

*through rethinking, reducing, reusing and recycling.*

- *Engage in activities that achieve economic and strategic goals while minimizing and eliminating environmental impacts. Contribute positively to conservation and host communities.*
- *Promote sustainability as defined as "meeting the needs of the present without compromising the ability of future generations to meet their own needs."*
